\$2.95ea RRP
\$62.00 per box

**GU ROCTANE**

- GU's superior mix of complex and simple carbohydrates, increased amount of histidine, higher levels of citrates plus more branched chain amino acids
- New ingredient, the amino acid complex Ornithine Alpha-Ketoglutarate (OKG) which limits the body's tendency to break down muscle protein tissue during extremely hard training and racing days and promotes a speedier recovery.
- **Flavours:** Pineapple CF, blueberry pomegranite 2x, vanilla orange 2x and cherry lime 2x.

\$4.50ea RRP
\$95.00 per box

**GU CHOMP**

- Amino acids for added focus, energy and speedy recovery.
- Vitamin C + E, to combat tissue breakdown.
- Sodium and potassium to restore electrolyte balance.
- Exclusive blend of complex and simple carbohydrates.
- **Flavours:** Blueberry pomegranite CF, strawberry, orange CF, apple cranberry, peach tea 2x and watermelon CF.

\$5.00ea RRP
\$75.00 per box (16)

**GU ELECTROLYTE BREW**

- Complex and simple carbs in optimal balance
- Vital electrolytes at the proper levels for intense exercise
- All-natural flavors.
- Brew will keep you focused on reaching your goals in training and racing.
- **Flavours:** Blueberry pomegranite, raspberry, lemon lime and orange.

\$35.00 RRP

**GU RECOVERY BREW**

- Protein: whey protein to create a higher quality and more effective product.
- Vitamins: Over 100% of daily allowances of vitamins C and E in every serving.
- Amino Acids: Arginine and Glutamine promote recovery and support a strong immune system.
- Carbs: simple & complex carbs to re-fuel
- **Flavours:** Orange pineapple and watermelon.

\$65.00 RRP

**GU BREW ELECTROLYTE TABLETS**

- Allows the body to retain optimal electrolyte balance without providing unneeded calories.
- Convenient alternative to carrying bulky powders or additional bottles.
- Naturally flavoured and sweetened.
- Provides easily accessible endurance hydration.
- Each 4.6g tablet contains 10cal.
- **Flavours:** orange, lemon lime and peach tea.
